Dearest Chuckie, (alias Charlie, Chuck, Chucklus)

I could say that this year has been one of the best years I've ever spent at school, but that's just because you were there. I know that next year will be a lot of fun for both of us, only in a different kind of way. I hope we stay together for a long time to come, but if we don't, I know we will always be very close friends. For the past year and a half that we've been going together, I've done a lot of things I'd never done before, such as going to the beach, and going to the Prom with. I've ever thought going to the Prom with. Now that I'm a Senior, and you a Freshman I hope to try even harder to keep you. I want to become Homecoming Queen or at least princess for you and for myself. I'm looking forward to next year, in that you come to start school (you're now invited), and that maybe if you want me, I can go to yours. I really like too! Well Grad Nights over and it sure was a lot of fun. you are invited to go with me next year if you want to by then. I sure would enjoy having you. In fact, I can't wait until the next year is almost over. Next year I want to see you dating other girls, (only not too many.) Chuck. I know that we'll ~~only~~ always be best Z friends no matter what, and I hope that you'll always confide in me. I know too, that I'll always love you for a long time to come, So don't think of me first, but yourself, because I'll always be

Yours & Love always, Linda (Your) xxxxxxxxxx

This 1962 Copa de Oro is dedicated to Dr. Elmer J. Erickson, administrator, author, educator, Christian gentleman, and one called friend by all who know and work with him. The influences and teachings of this fine citizen of South Pasadena are far-reaching and know no boundaries. His services to his community are numberless, and his gifts of leadership are outstandir g. Fortunately the community still claims him, but South Pasadena High School will be under new leadership in a few short weeks.

School, day by day, seems routine. The planning for this commonplace happening is delicately interwoven with emergent situations, and in his stride, Dr. Erickson, has surmounted all of them with dignity and grace. He has made our dynamic, splendid school keep ticking in time. We will miss this mainspring of inspiration and know-how.

The Class of 1962, the undergraduates, and the alumni join with the faculty in wishing Elmer Erickson the very best in his planned future. God speed!

1962 COMMISSION

Gary Forster
Commissioner-General

The 1961-62 Commissioners are to be congratulated on the excellent job they have done. They started off the year with A.S.B. Sales of ninety-six per cent. The Coronation Ball was also successful, due to the organized planning by the Commission. This year they closely correlated their work with that of the Legislative Council and contributed largely to its success. As in previous years, they participated in the monthly Rio Hondo League Forum, a meeting of all the student body officers in our league. In addition, the Commission has done a wonderful job in planning assemblies, helping to maintain a clean campus, and seeing that our school has received the fine publicity it deserves.

Standing, left to right: Steve Colliau, Bryant Smith, Joe McMahon, Bill Crosby, Larry Krug, Richard Belding, Gary Forster, Steve Warner, Sidney Webb, Louis Knox, Yavuz Sokmen.

WELDON AWARDS

Courtesy, independence, responsibility, good sportsmanship, and democratic leadership in all school activities; these are the qualities consistently present in the six most outstanding senior students to whom the Weldon Fair awards are presented each year. The Weldon Fair Play awards were established in 1929 by Mr. W. R. H. Weldon and have been perpetuated by his sons since his death. The selection of the award winners is made by a committee of students and faculty. Each winner receives a certificate and a gold pin, and his name is engraved on the Fair Play Cup.

The mighty Senior Class of 1962, led by their able class advisor, Mr. Carpenter, carried the SPHS student body through a great year at Espee. Although they were the smallest of the three classes, the Seniors plunged into their last year with enthusiasm, producing good all around athletes, student leaders, and those with high scholastic ability. Competition was provided in the A.S.B. and Copa sales, and a first place was won with their Christmas Booth. The fabulous Senior Play, "The Matchmaker," was a large success and was enjoyed by all. The choosing of Football Queen, the Talent Assembly, Senior Ditch Day, Baccalaureate, and the Farewell Assembly all led up to a wonderful Graduation. Grad Night, held at the Catamaran in San Diego, provided a memorable end to high school life. As the Senior Class now departs for broader horizons, they leave behind many activities, much fun, and the Spirit of the Class of '62.

During the past year these enthusiastic juniors contributed much to the life at Espee. Although placing third in ASB sales, they came through to win second place in the Christmas booth competition. In order to raise money for the highly successful Junior-Senior Prom the class sold magazine subscriptions. Campaign week was an exciting time for the Commission candidates, their campaign managers, and the entire student body. Class spirit was shown in all activities, and the juniors proved themselves a class capable of taking over Senior responsibilities next year.

The sophomores' first year in our big high school was an experience they will never forget. Typical sophomore spirit was shown in assemblies trying to keep up with the upper classmen, and around school with leading salesmen in both A.S.B. and Copa sales. Their other activities included the sophomore mothers' tea and the choosing of new class rings, making this a busy and exciting year for these lower classmen.

VARSITY FOOTBALL

With only seven of last year's twenty-eight lettermen returning, nobody thought that South Pasadena would be as successful as they had been in past years. But Rio Hondo fans were in for a surprise as Coaches Solari and Swift led the Tigers to another successful season in 1961. Although edged out of first place for the second year in a row by Temple City, the squad finished the season losing only one league game and two for the entire season.

The season started with a practice game against the familiar Claremont team, which was defeated by a score of 6-0. In this game Ken Vogl snatched the ball when it was only thirteen yards from the Claremont goal and ran eighty-seven yards for a touchdown.

The next game was against the Beverly Hills Normans at their own field. Bill Phegley and Dave Rozok together scored twenty points, and the rugged defense left the Normans with nothing to show for the day.

Home again, the Tigers were faced with a tough Rosemead team that has AAA standing. Rosemead was the first team to score against Espee and was ahead in the first half, but the Bengals rallied in the last half and defeated them 20-14. Dave Rozok scored six points, while Bill Phegley made two touchdowns and kicked two PATs.

The season's first big disappointment came the next week when the St. Francis Knights defeated the Tigers by a score of 25-6. Bill Patrick was responsible for Espee's six points. The team suffered another loss that night, the loss of Bill Phegley who was injured in the tough competition. This game was his last.

With three wins and one loss, the team was now ready for league play. The first league game was against Duarte at their field. The Falcons were beaten by a score of 26-13. San Marino, one of the season's big games was now at hand. The Tiger eleven whipped the Titans by a score of 18-14, pleasing the homecoming queen and her court, as well as the thousands who came to witness the famous rivalry. Scorers were Ken Vogl, Dave Rozok, and Bill Patrick. Next week the team again left Roosevelt Field, this time to travel to Bell Gardens. The Tigers trampled the Bell Gardens team 20-0 in a game that sent two of our players to the hospital.

Temple City again snatched our hopes for the Championship the next game, despite a last quarter bid for the victory. Doug Patrick and Dave Rozok made the touchdowns while Dave Shetler kicked the two extra points that made the score 20-14.

Charter Oak, the last game, proved to be one of the more exciting frays. Two touchdowns had been made, and one extra point had been kicked when Charter Oak made another six points in the last quarter to tie it up 13-13. Then Dave Shetler showed his power by kicking a field goal to win 16-13.

This year's team displayed the meaning of Coach Solari's word, "hunger". Other stalwarts on the team who are not mentioned in this copy can be seen on the following pages. The 1961-62 Tiger team turned out another superb performance of which the student body, Coach Solari, and Coach Swift all can be proud.

BEE FOOTBALL

The Bee football squad made a spirited and scrappy showing in every game this year. Their playing and the experience gained will make many of them members of the '62 varsity squad. Success did not always come their way, but they were in there trying.

Big gainers on the team for '61 were Robby Phair and Steve Borton. Phair ran at least one hundred yards every game, and Borton was good for one hundred yards of passing in each game. Bee Coach Novicoff said that these were outstanding records for both high school players.

Other prominent team members were Bill Kline and Mike Furco, who showed their skill in blocking, and Rich Harvey, center. Also deserving to be mentioned are Barclay, Wardlow, Carlson, Kauper, Hoffman, Gillies, Brinegar, Clark, and Sabatella.

CROSS COUNTRY

South Pasadena's varsity cross-country team came up with a successful season, finishing third in the Rio Hondo League standings. The varsity was undefeated on its home course where it gained victories over Duarte, Bell Gardens, and Temple City. Paced by Captain Pat Snowden, who captured the third place medal, the varsity ran third in the league finals. Leading scorers for the varsity other than senior Snowden, who holds the South Pasadena course record for 1.8 miles, were Fred Ledder, Tom Patton, and Robert Imhoff. Other varsity lettermen included Robert Schreiber, Doug McLeod and Jim Buell.

The Junior Varsity finished fourth in the league standings as well as a respectable fourth place in their division at the Mt. San Antonio Invitational. Leading Junior Varsity runners were Rich Belding and Jerry Durfee.

Managers Larry Simkins and Don Vilelle.

In basketball, the Tigers gave their fans some thrilling exhibitions this year. Starting the season with a 50-37 score over La Salle, they followed by taking Hart, Burbank, Duarte, and San Marino.

Coach O'Neil, working with the squad every night, usually had a starting line-up of Phegley, Corteway, Wood, Forster, and Kidd. Team managers, Don Vilelle and Larry Simkins gave much of their time toward helping the team.

I'M DONE!

Yes, after an exhausting year of striving to meet Copa deadlines, finishing copy, printing pictures, and yelling at my staff, the 1962 Copa de Oro sits in front of me completed. But what a feeling of pride and satisfaction I receive when I realize that I have been watching and helping this yearbook grow!

I can never give enough thanks to my staff for the endless amount of work they have contributed. And what would we have done without Al and Bill in the darkroom! Deepest gratitudes go to Mr. Phippin whose experience solved each major problem that arose. Thank you, Mr. Thomas and American Yearbook Company for your patience and help. Had it not been for these persons "Dimensions in Spirit and Scholarship" would not be in your hands today.

We seniors are leaving South Pasadena High School, for our work here is completed. Soon we will travel countless separate pathways, but within these pages may we always recapture the memory of the Class of '62.
